

## SOUTHEASTERN LIONS LEADERSHIP INSTITUTE

December 19, 2009

Dear Lion Leader:

The Planning Committee of the Lions Leadership Institute is excited to announce that we have been endorsed to hold the eleventh regional leadership institute in the southeast. In cooperation with the Leadership Division of Lions Clubs International, six experienced Lion leaders have put in place an outstanding curriculum for **both new and senior** Lions to develop and enhance their leadership skills. Emphasis is placed on individual participation in a relaxed learning environment.

The Institute is scheduled from the afternoon session at 2:00 EST on Thursday, April 15, 2010, through the graduation ceremony on Sunday, April 18, 2010. Sign in and supplies distribution will begin at 1:00 p.m. on Thursday, April 15.

Topics include motivation, thinking outside the box, meeting management, group dynamics and team building, personality and leadership styles, problem solving and conflict resolution, delegation and mobilization of volunteers, diversity and inter-cultural communication, protocol, Lion fundamentals, mentoring, and public speaking.

The Institute will be located in the conference facility of the Hickory Knob State Resort Park, at McCormick, SC. Hickory Knob rests on rolling, wooded shoreline alongside 70,000-acre Strom Thurmond Reservoir on the Savannah River: South Carolina's "West Coast."

This package of materials is being sent to all southeastern states within a reasonable driving distance of Hickory Knob State Resort Park, McCormick, South Carolina; so we encourage you to make timely distribution of the information in order that your zones or clubs will have one or more applicants that meet the April 1, 2010, deadline. Please feel free to duplicate this information and to distribute it to any Lion you feel is qualified.

Should you have questions, contact any of the faculty listed below.

Respectfully in Lionism,
